NEEDED: Overlooking Christians

The church is made up of imperfect people. All of us have our faults. The amazing thing is that God has been able to work through imperfect Christians. He has never had an opportunity to work with any other kind.

The Christian who becomes preoccupied with criticizing others loses sight of the major cause. He gets wrapped up in details and misses the supreme design. His eyes wander from the crucified Christ to focus on the faults of those for whom Christ died. This causes his spiritual life to dry up.

What we need are Christians who overlook the faults of others as easily as they do their own.

"We believe a GREAT COMMITMENT to the GREAT COMMANDMENT and the GREAT COMMISSION will build a GREAT CHURCH!"
